

Gold Oak School District's Core Beliefs

- 1. We believe that every attempt should be made to maintain the dignity of both the adult and the student.**
- 2. We believe that there should be a logical connection between misbehavior and resulting consequences.**
- 3. We believe that misbehavior should be viewed as an opportunity for individual problem solving and preparation for the real world as opposed to a personal attack on the school or staff.**
- 4. We believe that students should be guided and expected to solve the problems they create without making problems for anyone else.**
- 5. We believe that students should have the opportunity to tell their side of the story.**
- 6. We believe school problems should be handled by school personnel and that criminal activity should be referred to the proper authorities.**
