## Future Meetings

Elections will be held as we need two more parent/community reps from Gold Oak School, AnnaMarie is on the ballot. We also need a classified representative from the district. In polling those present it appears that Thursday's would be the best day for regularly scheduled meetings. It was suggested that since there is so much work to be done early on that we initially have 2 meetings a month.

Meeting was adjourned at 3:40 p.m.
